

1982 QLD Nurserymen's Association gets a bus!

1983 Professor Teddy becomes our mascot

1984 Our Golden Jubilee held at Acacia Ridge Hotel, that same year we also held the first QLD Garden Expo.

1998 Our Toowoomba Branch won the Flower Festival, now called the Carnival of flowers with their amazing float

Since then, we have flourished with the inception of our Green Expo, our Trade Days and now have 40,000 visitors through our QLD Garden Show whose local economic impact is estimated to be more than \$10 million!

The NGIQ is only what it is, due to our Nurseries, Growers and Allied Trade members. We are looking forward to supporting our industry now and into the future.

Looking forward to another 90 years!
